

**Amendment Number 0001 to
Solicitation Number: 05-0001-30
Technical Program Support Service for the Office of Naval Research (ONR);
Surveillance, Communications, and Electronic Combat Division (Code 313);
Multifunction RF Technology Programs**

This amendment revises the breakout of the anticipated level of effort in the option periods to match that provided for the base period. The table under paragraph 3.2.3 should read as follows:

Labor Category	Hours Per Each Option Year
Research Scientist	1,000
Program Analyst II	2,000
Total Hours	3,000
